STANFORD MARINE

Your Partner in Offshore Services

Established in 1997, we operate an extensive fleet of Offshore Supply Vessels that service the Oil and Gas industry in the Middle East, South East Asia, Africa, India and the Gulf of Mexico. With our headquarters in Dubai, we also have offices in Singapore, Doha (Qatar), Abu Dhabi, Port Harcourt (Nigeria) and Saudi Arabia.

We offer a broad scope of services ranging from Vessel Chartering to Cross-Chartering and Vessel Management. Our multipurpose fleet of over 40 vessels includes: Platform Supply Vessels (PSV), Work Boats, Crew Boats and Anchor Handlers (AHTS and AHT). With such a comprehensive range of vessels we offer solutions for a wide range of clients, from drilling support to production and offshore construction.

We have a wealth of experience in chartering vessels for support activities in all kinds of offshore projects including: Towing, Rig Move Operations, Anchor Handling, Safety/Standby Services, Survey Operations, Drilling Support Services, Offshore Construction & Maintenance Support Services, Offshore Accommodation and Offshore Day Workers Transport.

Company Profile

With a focus on Health & Safety being a driving force of our success, we have posted zero LTI's (Lost Time Incidents) starting January 2015. Our company is ISO 9001, ISO14001 and OHSAS 18001 certified.

We are also proud members of IMCA (International Marine Contractors Association), BIMCO (The Baltic International and Maritime Council) and The British Safety Council.
